**First Communion Ceremony DVD**

Many of you may not be aware that individual videotaping is only allowed from your seat. In an effort to capture the entire ceremony without distraction a professional videographer is hired. This year, we have contracted with *Your Story Video Productions* to capture the First Communion ceremony on DVD for \$30 per copy.

**We need a presale of 15 DVD orders by April 12  
in order to have the ceremony recorded.**
