

Things you may want to know this week

1. Rest In Peace: SHARON FIRPO, a loving, wonderful and energetic person who had dedicated her time, energy and heart to St. Robert's Community for over 40 years as a parent, volunteer, and later as a teacher, and vice principal. She was laid to rest at Holy Cross at 1PM today. I did the Committal Service with Fr. Vincent Ring, our pastor emeritus.
2. We installed a new VIDEO doorbell in our parish office/rectory door. We can now monitor who comes to the door and even answer the door remotely or away from home anywhere in the world.
3. A new internet service has been installed in our parish office/rectory using fiber optics with a blasting speed of 1000 mbps both download and upload. This will enable us to do LIVESTREAMING services in the church which I hope to commence after this weekend. Check the links for the livestream from our website. Thanks to Pat McHale, Jeffrey Co and Rob Aveson for the extra help in setting up the wifi connection in the church.
4. We now have a FACEBOOK Page: Saint Robert Catholic Church. Look for the official page.
5. Masses this Sunday inside the church will still be at 9:30AM and 11:30AM. Please observe the safety protocol. Streamed mass will still be available Saturday evening.
