**Advance Stewardship Reflection**

Our Easter season culminates with the glorious feast of Pentecost. We can imagine how incredible that moment was for the apostles and all who witnessed it. The Holy Spirit was alive and working.

The Holy Spirit is just as alive and willing to work here and now in our day-to-day moments as back at our first Pentecost.

Our First Reading bears witness to the first Pentecost. During this encounter with the Holy Spirit, the apostles and Mary felt a driving wind, there were tongues of fire on the heads of each of them and the Spirit allowed them to speak in different tongues proclaiming acts of God.

We might hear this reading and wish the Holy Spirit worked that obviously in our lives each day. The truth is, the work of the Holy Spirit in our lives is obvious — we just might be blind to it, or it might be that we have closed ourselves off to the Holy Spirit's wondrous works.

Our tongues of fire might be a profound conversation with a friend, something that you needed to hear in that exact moment, or even a closed door to an opportunity for something much, much greater. These are movements of the Holy Spirit in our everyday moments.

The more we take time to recognize them, the more we become aware of them.

On this Pentecost Sunday, let us give thanks to God for sending us His Holy Spirit. And let us strive to be in tune with the Holy Spirit by looking for the ways God has been working in our lives.

**GABRIEL PROJECT**

The Gabriel Project is in need of your donations. We are especially in need of Pack & Play Portable Playards, strollers and carriers. Diapers are always welcome, too.
